GOODCARE

Inspired by Wellness. Crafted with excellence

At Goodcare Pharma, our team of highly qualified R&D specialists tap the resources of Ayurveda with the help of modern science. The result of their efforts is the creation of new age Herbal / Ayurvedic lifestyle solutions, including herbal dietary supplements, antioxidants, nutraceuticals and phytonutrients. Products namely - Stress Guard, Neem Guard, Spirulina Plus, Diabet Guard, Ezi Slim, Livgood, Immune Guard, Cholest Guard, Arthplus, Nightzz etc. To know more about Goodcare, we request you to visit to our website at www.goodcarepharma.com

Our state-of-the-art GMP certified manufacturing plant at Bagi Bushnupur in West Bengal is set in the middle of a vast garden, housing several rare species medicinal plants.

Goodcare is universally respected for the quality of its products. This level of trust is a result of the company's elaborate quality control systems, which ensure that only the best raw materials go into the making of every product. The finished product is also subjected to extensive quality control tests which it must pass through before its packed.
